Bay United Soccer Club
Competitive Youth Soccer Teams

Bay United Soccer Club is a competitive youth soccer club in Panama City, Florida. We are a nonprofit organization committed to promoting select youth soccer in Northwest Florida by fielding competitive traveling teams. BUSC is a member of Florida Youth Soccer Association (FYSA), which is recognized by the United States Soccer Federation. Bay United players are learning individual and team skills they will apply throughout life. The season lasts from August through May. Select teams average 4-6 tournaments a season, traveling as far as Atlanta, Birmingham, Jacksonville, Pensacola and Orlando.

The Bay United Soccer Club's competitive _____soccer team has a very busy upcoming Spring Season scheduled. They have been working extremely hard during the training sessions and are looking forward to traveling throughout the Southeast to compete against other competitive youth soccer clubs. Our team is asking you as a sponsor to help us raise funds to offset the additional costs of travel expenses for our team. Your sponsorship will make it possible for us to utilize our training to compete against other talented youth soccer teams.

We have designed a t-shirt with our club logo on the front. These t-shirts will be worn during tournaments, practices and throughout our community. On the back of these shirts, we would love to print your business name, personal message or company logo to display your support for the great sport of soccer. The sponsorship opportunities are as follows:

$25 - Shout out small print line ad
$50 - Shout out medium print line ad
$100 - Shout out large print line ad
$250 - Small Logo or Extra Large Print -
$500 - Large Logo

We sincerely appreciate your support in helping us be competitive in the sport we love, SOCCER.
